

Our Coast & Ocean in a Changing World

Learning and teaching about sea level rise,
ocean acidification, wetlands, and plastic pollution.

FREE WORKSHOP for EDUCATORS

Saturday, May 4, 9am-1pm

San Francisco Bay Model, 2100 Bridgeway, Sausalito

Workshop attendees will receive a FREE copy of the California Coastal Commission's science activity guide for teachers, *Waves, Wetlands, and Watersheds*, as well as connections to many additional free resources and research on the workshop topics. The workshop will include an interpreted wetlands/watershed tour of the Bay Model with US Army Corps of Engineers Park Ranger Linda Holm. Learn how our Bay and people's interactions with the Bay have changed over time. Morning snacks will be provided.

Space is limited. **Please register before April 30** with our online registration form at <http://www.surveymzmo.com/s3/1203139/Our-Coast-Ocean-in-a-Changing-World-workshop-registration>. To register with a paper form or to get more information, email Annie.Frankel@coastal.ca.gov or call (415) 597-5888, or (800) Coast4U. This workshop is open to both formal and informal educators. The material is best suited for students 6th grade and up, but ALL educators are welcome.

Professional growth credit offered through the University of the Pacific (when additional work is performed). Details available upon request.
